GENERAL INFORMATION

Your 2024 International Tour Director Certification Program is scheduled for December 1, 2024.

Classes on the ship are conducted only during times at sea. You have no classes while in any of the ports of call. **The cruise begins and ends in Tampa, FL.**

The certification program is held in a private meeting room aboard the ship. Outside of classroom hours, you can participate in all ship activities.

Please note: You will be spending some time in individual and small groups for study and preparation as well as four to five hours on a motor coach upon leaving the ship in Tampa. Many of the assignments can be completed prior to the start of the cruise program. Of course, all meals, entertainment, ports-of-call, etc. are available to the students and guests.

Solo Travelers: You are in luck! **No mandatory single supplements. We provide free roommate matching. If you would prefer not to have someone sharing with you, just pay the cabin difference.*

Students willing to share will be assigned a student roommate **of the same sex/gender**. Two (2) students per cabin is the norm.

The Certification/Cruise program(s) offered by the International Guide Academy has always been popular with single travelers because of the congenial atmosphere of our small group and the caring, professional services of our instructors throughout your entire journey. You can, of course, choose to pay the single supplement and not share the cabin.

Should you have sleeping habits or other planned activities that would interfere with the enjoyment of the cruise or interfere with the ability of your cabin mate to complete the certification program in a satisfactory manner, it is your responsibility to bring this concern to our attention prior to your enrollment.

Call us at 303.434.7557, or email us at: daniel@bepaidtotravel.com, if you have any questions about this exciting program.

WE ARE LOOKING FORWARD TO SEEING YOU AND SHARING THIS EXCITING OPPORTUNITY TO LEARN, TRAVEL, NETWORK AND GET CERTIFIED.
